YOU CAN CHOOSE BETWEEN

A personal Travelcard is linked to you as an individual customer. Periodic Travel and Youth Travel can only be used with a personal travelcard. For a limited period of time only, Skyss will file information on your use of the travelcard. This information is used to process any complaints or refunds for lost cards. The information is made anonymous after a period of 90 days. When you select a Personal Travelcard below, you automatically accept the terms and conditions regarding processing of personal data. Go to www.skyss.no for more information on Skyss and protection of personal privacy.

An anonymous Travelcard is not linked to individual customers and there is no record of who uses the card and where he/she travels. An anonymous travelcard is suited for FlexiTravel and Cash Travel.
